Subject- To Apply for a Job at the position of Software Engineer.

Dear Sir/Madam,

In reference to the advertisement in “Hindustan Times”, dated: July 25, 2022, I am writing to apply for the vacant position of Software Engineer. At the post of a software engineer, I would look after the design, development and testing. With an individualistic approach to handle tasks, I am confident that I would prove to be an ideal candidate at your esteemed organization.

With six years of professional training that includes B.E in Information Technology from VESIT, Mumbai and Engineering Diploma from VPM's Polytechnic, Thane. I have worked on various projects in which I had to carry operations like software development, team management etc. After researching the scope of challenges during projects, I would like to expand my knowledge at your company. My key strengths that would help me are:

- Creative thinking
- Task Management
- Ability to adapt with change of environment, technology and requirements.

I will be highly thankful to you if you grant me with an opportunity to appear for an interview. Please find my resume enclosed for your consideration, for any other details please feel free to reach me at **7021734119** or contact me via email at [d2020.ishika.devare@ves.ac.in](mailto:d2020.ishika.devare@ves.ac.in)

Thanking you in anticipation.

Yours sincerely,
